

Blessed Hope

Written by Ezekiel's Cookout, Mars Hill Church

G D Em C
When You come will you take all of me
When You come You will bend every knee
You will roll back the sky and the stars will
fall; every tongue con- fess

G D C D
Mountains will dance and the trees clap their hands

G D C D C
The Savior will wipe away all tears from our eyes

G D Em C
When You come I will be quiet in Your love
When You come will You take me home
To leave the lust, leave the flesh, leave the pride of
life; to see forever clearly

G D C D
Trumpets will sound and the Lord will descend

G D C D
Forever with us and forever with Him

G D C D
The mountains will dance and the trees clap their hands

G D C D C
The Savior will wipe away all tears from our eyes

G D Em C
When you come you will make all things new
You will draw all who thirst unto you
And you will dwell with us - God with
us; Emmanu- el, and you will sing over us
