

Consume Me

Written at Mars Hill Church, Seattle

Em F# G G#dim Am
My illness I held forever in love with
C B Em
All the things I should have hated
Em F# G G#dim Am
Perpetuating the distance between us
C B Em
Like a river flooding its bed

C Em
Distorted emotion
B Em F# G
Yesterday I was caught up in the arms
C Em
Of worldly destruction
B Em
Wondering to whom I belonged

Em F# G G#dim Am
What offering to the savior of sinners
C B Em
May I bring but a humble song
Em F# G G#dim Am
When I was distressed, your light fell on me and
C B Em
I knew I'd been yours all along

C Em
Consume me and use me
B Em F# G
Now I see I was caught up in your arms
C Em
That hold me, that boldly
B Em
Brought me back to where I belong
