Be Still

Chorus:
Em G C Em
Be still, and know that I am God
Em G Am Em
Be still, and know that I am God (repeat)

Verse 1:
Am C
The fire of midnight, the thunder over waves,
D Em
The murmur we can't hear at all, the reaching of our hands;
Am C
The alibi of the broken, the wish inside the hurt,
D Em
The chorus of our questions, all creatures of the earth;

[Chorus]

Verse 2:
Am C
The broken sob at the grave-sight, the wedding bells at noon,
D Em
The sounds of the lost and found, the reaching of our hands;
Am C
The whale and the lion, the mother and her son,
D Em
The family of Terra firma, creatures of the earth;

[Chorus]
