Bm F# Bm F#

Bm G F# Bm
When I kept silent, my bones wasted away

Bm G F# Bm
Through all of my groaning, lasting all of each day.

Bm F# G F#
All day and all night, Your hand weighed upon me

Bm F# G F#
My strength was all gone as in great summer heat.

D A G D
Then I acknowledged all of my sin to You

D A G A Bm
I did not hold back, no pretending... no pretending... no pretending

F# Bm F# Bm F#
No pretending would do.

Bm G F# Bm
As I prayed to You in humble confession
Bm G F# Bm
You forgave my sins, my guilt and transgression.

D A G D
Blessed is the one whose sins are gone

D A G G
Forgiven sin, cleansed from within

A Bm
No pretending... no pretending...

F# Bm F# Bm F#
No pretending would do.
